August 2020

Dear St. Germain Flea Market Vendor,

Thank you for your continued support of the St. Germain Firefighters Association, Inc. Flea Market! It has been a very interesting year and we appreciate you sticking with us during these untried times. As we stated earlier this summer, for those of you that stuck with us during the 2020 season, we are keeping your seasonal space at \$200.00 for the 2021 season for a 10' x 10' space if paid by December 31, 2020. Spaces with depth will be charged accordingly. If you had been a seasonal vendor with us in the past and opted not to come this year because of COVID-19, your early buy price will be \$250.00 if paid before December 31, 2020 and we will guarantee you your old space(s). New vendors coming in next year will be charged \$300.00 per space from January 1 to June 21, 2021 which gives you 3 free spaces over the daily rate.

The 2021 Flea Market will run every Monday, May 31, 2021 thru September 6, 2021 (15 weeks) and we will again offer 10' x 10' spaces* (Shelter spaces are 7' x 9' 6"). **We have also identified some spaces with depth and they will be priced accordingly. See the list in the rules for those prices and space numbers. You may rent as many spaces as you need.* To ensure that you lock into the same great rates as the 2020 early buy season price of \$200.00* per space we are offering an early buy registration which will be due on or before December 31, 2020. There will be a \$10/week charge for the use of electricity if it is available to be paid when you register and no longer paid weekly. Please complete the attached registration form and return along with your check to us by the end of the year. If you choose not to take advantage of the Early Buy Offer, you will still be able to reserve your space(s) in the traditional time frame at an increased price.

If you would like to register for a seasonal space, please include a self-addressed stamped envelope with your payment and completed registration form when mailing in your payment. A copy of the completed registration form will be returned to you along with your space numbers as your proof of payment.

If you are a seasonal vendor and will not be returning for the upcoming season, please let us know so your space can be rented to someone else.

Just a reminder to please put your garbage in the large blue metal refuge containers scattered throughout the park. The bathrooms and small 66 gallon containers are for our shoppers to use and not vendor garbage. Also leaving your garbage in your spot at the end of the day and by the garbage container has also been an issue this year. The market has advertised selling times from 8 am to 3 pm and you have agreed to stay through those times by being a vendor here. If that doesn't work for you than don't sign up and attend!

You may have also heard through the rumor mill that our Flea Market Director, Pam Gebhardt will be stepping down at the end of the year. We have asked her to stay on through next year to train Rene Kecker, her replacement so we have a smooth transition moving forward. Many of you may know Rene as she is a firefighter on the department and has worn various hats around the flea market over the last few years along with her son and daughters.

Thank you for another great season and for your continued support.

St. Germain Firefighters Association, Inc. Board of Directors,
Nathan Gebhardt, Troy Schalinske, Deb Harvey, Kevin Harvey and Rene Kecker
